Education

University of San Jose - Recoletos

Bachelor of Science in Computer Engineering

S.Y 2021-2022

- Recipient of the Recoletos Educational Assistance for Deserving Student Scholarship since 2016
- Working Student in the USJR Computer Engineering Department
- Served as Class Representative from June 2016 to June 2018
- Served as Treasurer from June 2018 to June 2016
- Received the Dean's List Academic Achievement Award

Thesis

- **USJR Automated Parking System**
 - Developed a system that utilizes machine learning algorithms, Python programming language, and other hardware devices such as Raspberry Pi, C#, and SQL to detect faces and vehicle plate numbers during the entry of vehicles owned by individuals registered in the university.

Internship

- **USJR MIS System**
 - Created a paperless school transaction system, reducing paper usage and relieving professors from paper-based tasks such as leave applications and submissions to other departments.
 - Utilize PostgreSQL, Python Django, CSS, HTML, and JavaScript.

Professional Experience

DNA Micro Software Inc.
Software Engineer/Backend Developer

December 2021 - Present

- Collaborated with project managers, team managers, and stakeholders to ensure the successful development and maintenance of software projects
- Coordinated and communicated with the development team throughout the development process, utilizing Agile methodologies
- Possessed proficiency in RingCentral and had some experience with Azure DevOps for project management and communication
- Developed and maintained scalable, efficient, and maintainable backend systems that met project requirements.

Technical Skills

Front-end technologies:

- HTML
- CSS
- JavaScript/TypeScript
- ReactJS
- GraphQL

Back-end technologies:

- NodeJS
- ExpressJS
- NestJS
- REST API
- Python
- Django
- SQL
- C
- C#
- RethinkDB
- ElasticSearch

Cloud and storage technologies:

- AWS S3

Version control technologies:

- Git
- Github

- Gitlab

Interest

- Backend Development
- DevOps
- Data Science
- Machine Learning
